

# Panic! At The Disco, Hurricane

Are you worth your weight in gold?  
'Cause you're behind my eyelids when I'm all alone.  
Hey stranger, I want you to catch me like a cold.  
You and God both got the guns  
And when you shoot, I think I'd duck.

I led the revolution in my bedroom,  
And I set all the zippers free.  
We said, "No more war!  
No more clothes! Give me peace!  
Oh, kiss me!"  
Hey hey, We are a hurricane  
Drop our anchors in a storm.  
Hey, they will never be the same.  
A fire in a flask to keep us warm.  
'Cause they know, and I know,  
That they don't look like me.  
Oh they know, I know  
That they don't sound like me.

You'll dance to anything  
You'll dance to anything

Oh I confess, I confess to the rumor of us,  
But he didn't come and speak to me,  
Or put my heart at ease.  
And I believe that, half the time,  
I am a wolf among the sheep  
Gnawing at the wool over my eyes.

I led the revolution in my bedroom,  
And I set all the zippers free.  
We said, "No more war!  
No more clothes! Give me peace!  
Oh, kiss me!"

Hey hey, We are a hurricane  
Drop our anchors in a storm.  
Hey, they will never be the same.  
A fire in a flask to keep us warm.  
'Cause they know, and I know,  
That they don't look like me.  
Oh they know, I know  
That they don't sound like me.

You'll dance to anything  
You'll dance to anything  
You'll dance to anything  
You'll dance to anything

Fix me, or conflict me  
I'll take anything  
Fix me, or just conflict me  
'Cause I'll take anything

Hey hey, We are a hurricane  
Drop our anchors in a storm.  
Hey, they will never be the same.  
A fire in a flask to keep us warm.  
'Cause they know, and I know,  
That they don't look like me.  
Oh they know, I know

That they don't sound like me.

You'll dance to anything  
You'll dance to anything
