

Papa Vegas, Mesmerized

(written by Joel Ferguson)

Is it lost inside of you
In a message that won't do
Drew a picture in the sand
Wiped it out with your own hand
I wonder why
I am lost tonight
Mesmerized
Mesmerized alive
Seem to get there seem to try
But it always is a lie
Rusted water into wine
Now it's eating you alive
Deep inside, let it out
Betcha can't
I am lost tonight
Mesmerized
Mesmerized alive
Wonder why
I am lost tonight
Mesmerized
Mesmerized alive
Wonder why
I am lost tonight
Mesmerized
Mesmerized alive
Mesmerized...
