

# Patryk Żywczyk, Way Down We Go

Father tell me  
Do we get what we deserve?  
We get what we deserve?

And way down we go /2x  
Say way down we go /2x

You let your feet run wild  
Time has comes as we all go down  
But for the fall, my heart  
Do you dare to look him right right in the eyes?  
Coz they will run you dawn  
Down till the dark  
Yes, they will run you down  
Down till you fall  
And they will run tou down  
Down to your core  
Till you can't crawl more

And way down we go /2x  
Say way down we go

Yes, they will run you down  
Down till you're caught

And way down we go /2x  
Say way down we go
