

Paul Oakenfold, The Harder They Come (Ft. Nelly

Nelly Furtado:

ohhh

Tricky:

The harder they come!

Nelly Furtado:

Maybe this love thing is not for me

Maybe lovers dream things

That i don't dream

Maybe oh, maybe

Maybe you were just a little boy

After gave you the pride and joy

Maybe i should set you free

Tricky:

The harder they come

Nelly Furtado:

The harder they come

The harder they fall

Baby i would rather not go there at all

The harder they come

The harder they fall

Baby i would rather not come here at all

Tricky:

See me come around

The harder they come

You don't see

Cause you don't fear

A scratch of ??

Here up there

?? ?? ??

True love

Harder they come

?? ?? ??

?? ?? ??

I wish we make

You can find straight

??? ???

Nelly Furtado:

Oh, the harder they come

The harder they fall

Baby i would rather not go there at all

The harder they come

The harder they fall

The harder they come

The harder they fall

Baby i would rather not go there at all

The harder they come

The harder they fall

Tricky:

See you come around

Nelly Furtado:

Come here at all (x4)

Tricky:

The harder they come

Nelly Furtado:

Oh, yeah, baby i would rather not

I would rather not

I would rather not go there

Oh, take me as your prisoner
