Ooh work it baby  
A give me that vibe  
Uh what is it?  
(1) Ya got that vibeology  
That V-I-B-Eology  
Your body is pumped  
Next to me  
Ya got that sensuality  
And oh I love what ya do  
When ya do what ya do  
Ya got me pumped  
In the groove  
When ya move  
I'm in a funky way I'm  
I'm in a funky way I'm  
Horny horns!!  
I'm in a funky way a
