

Paulina Rubio, Paulina Rudio Sexual Lover

'Cause you're an electric charge and I'm overheating
Whenever you get too close I reach out and touch you
But you'll never know it though, you look at me butt you
You don't know what's on my mind, the way that I need you
I'm gonna make you mine the next time I see you
Cause I know that I can wait and one day you'll come back
No matter how long it takes, I will be the one that

I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah I'll be right here looking out for you
And when you come back you're gonna want me to

There's nothing to lose so why don't you try it
There's nothing to lose, and you can't deny it
I wanted to make it clear, I wanna remind you
That I'll be waiting here. In front or behind you
Wherever you go, Whenever you come back
You got to know, that I'll be the one that
