1.

When I feel so bad in my life  
For I'm getting lost another time  
It's Your pathway I should find  
Calm my heart and mind

Chorus:

I'm calling out to You, my Lord  
Can You hear me?  
In the depths of my heart I love Thee

2.

All I know is You are my chance  
To find my way to Heaven's Gates  
And Your mercy still remains  
I trust in Thy grace

3.

You're the One I wish to adore  
Every day You fill me with hope  
Will You always cultivate  
All seeds of my faith...
