Pearl Jam, Indifference

i will light the match this mornin', so i won't be alone watch as she lies silent, for soon light will be gone i will stand arms outstretched, pretend i'm free to roam i will make my way, through, one more day in hell... how much difference does it make how much difference does it make... i will hold the candle till it burns up my arm i'll keep takin' punches until their will grows tired i will stare the sun down until my eyes go blind hey i won't change direction, and i won't change my mind how much difference does it make how much difference does it make.. how much difference... i'll swallow poison, until i grow immune i will scream my lungs out till it fills this room how much difference how much difference how much difference does it make how much difference does it make...
