Pearl Jam, Poor Girl

You sat at home the windows tinted black it hits you hard and you Cried so long life turned & wandered never to come back again Takes what she gives you don't feel sorry for her When you fell

Out of the starlight inn you were too hurt to walk to bad to Begin I looked at the sign but I couldnt feel sad for you takes What she gives you don't cry when you kiss her Poor little girl

Ran away from home I try to explain why she wont say a thing sad Sad thing I'm so far away now how can I say why she wont talk at All she holds the deck of cards she wants to be alone I'll Be very ill and I tried waking up now I want to be alone When you ran out of petes hotel you didnt look so good and you Didn't feel so well " hold me tight" but I couldn't get It right takes what she gives you don't feel sorry for her Poor little girl

Ran away from home I try to explain why she wont say a thing sad Sad thing I'm so far away now how can I say why she wont talk at All she holds the deck of cards she wants to be alone She still drinks in

The dark the radio is left on late she saw a madman fight and Break it all cause she hated himself and she felt better off Cause she was only drunk
