

# Pennywise, Bro Hymn (Another Version)

to all my friends present, past and beyond  
especially those who weren't with us too long  
life is the most precious thing you can lose  
while you were here the fun was never-ending  
laugh a minute was only the beginning  
canton,calvin nickell this one's for you

ever get that feeling you cant go on  
just remember who side it is your on  
you've got friends with you till the end  
if your ever in a tough situation  
we'll be there, no hesitation  
brotherhood's our rule which cannot bend  
(whoaoaoaoa.....)

when your feeling to close to the bottom  
you know who it is you can count on  
someone will pick you up again  
we can conquer anything together  
all of us are bonded forever  
if i die you die that's the way it is  
(whoaoaoaoao.....)

to all my friends present past and beyond  
especially those who weren't with us too long  
life is the most precious thing you can lose
