[Originally by Black Flag]

I'm about To have a nervous breakdown
My head really hurts
If I don't find a way out of here
I'm gonna go berserk cause
I'm crazy and I'm hurt
Head on my shoulders
It's going... berserk

I hear the same old talk talk talk
The same old lines
Don't do me that today,
yeah If you know what's good for you you'll get out of my way cause

I'm crazy and I'm hurt
Head on my shoulders Going... berserk

I won't apologize For acting outta line
You see the way I am You leave any time you can cause I'm crazy and I'm hurt
Head on my shoulders,Going... berserk

Crazy! Crazy! Crazy! Crazy!
I don't care what you fuckin' do
I don't care what you fuckin' say
I'm so sick of everything I just want to... die!
