

Pentatonix, Happy Now

Is it illegal to move on without you
Am i allowed to when i am without you?
Is it illegal to dance like i am baput to?
Am i allowed to when i am without you?

I wanna be happy now
I wanna be happy now

Is it ok if i laugh until my chest hurts
Want to remember how to surrender
Is it okay if i drop some of the pressure?
Have an adventure, give me the keys

I think I wanna be happy now
I think I wanna be happy now

Is it illegal to move on without you
Am i allowed to when i am without you?
Is it illegal to dance like i am baput to?
Am i allowed to when i am without you?

I wanna be happy now
I wanna be happy now

Is it illegal to move on
Is it illegal to move on

Am i happy now?
Right now
With or without you
Right now
Am i happy now
Just me
Me, myself, and I
Am i, am I?

Is it illegal to move on without you
Am i allowed to when i am without you?
Is it illegal to dance like i am baput to?
Am i allowed to when i am without you?

I wanna be happy now
I wanna be happy now

Is it illegal to move on
Is it illegal to move on
