

Pet Shop Boys, Always On My Mind/In My House

Always on my mind/in my house

Maybe I didn't treat you
quite as good as I should
Maybe I didn't love you
quite as often as I could
Little things I should have said and done
I never took the time
You are always on my mind
You are always on my mind

Maybe I didn't hold you
all those lonely, lonely times
and I guess I never told you
I'm so happy that you're mine
If I made you feel second-best
I'm so sorry I was blind
You are always on my mind
You are always on my mind

Tell me, tell me that your sweet love hasn't died
Give me one more chance to keep you satisfied
satisfied

Little things I should have said and done
I never took the time
You are always on my mind
You are always on my mind

Tell me, tell me that your sweet love hasn't died
Give me one more chance to keep you satisfied
satisfied
You are always on my mind
You are always on my mind
You are always on my mind
You are always in my house

You are always on my mind it's true
I never thought of anyone else but you
You are on my mind and in my dreams
I should have stopped to make you see
you are always
I worked so hard I thought you knew
My love I did it all for you
I never really had the time
and I guess you couldn't read my mind
You are always

You are always on my mind
You are always on my mind

Maybe I didn't treat you
quite as good as I should
Maybe I didn't love you
quite as often as I could
Maybe I didn't hold you
all those lonely, lonely times
and I guess I never told you
I'm so happy that you're mine
Maybe I didn't love you
