

Pet Shop Boys, Discoteca (Single Version)

I don't speak the language
I can't understand the words
Where angels fear to tread
I sometimes walked and tried to talk
But how can I be heard
In such a world
When I am lost
I'm doing what I do
To see me through
I'm going out and carrying on as normal

Te quiero
Entiende usted
Digame
Cuanto tiempo tengo que esperar?

I don't speak in anger
Though the chances that I've let
Pass me by and now regret
I can't forget
They're haunting me
Like a score of unpaid debts
Is it enough
To live in hope
That one day we'll be free
Without this fear
I'm going out and carrying on as normal

Hay una discoteca por aqui?
Hay una discoteca por aqui?

Te quiero
Entiende usted
Digame
Cuanto tiempo tengo que esperar?
