

# Pet Shop Boys, Heart (Disco Mix)

(Beats)

(H-H-Heartbeats)

Every time I see you something happens to me

Like a chain reaction between you and me

My heart starts missing a beat

My heart starts missing a beat

Every time

Oh oh oh, every time

Oh oh oh, every time

If I didn't love you, I would look around for someone else

But every time I see you, you have the same effect

My heart starts missing a beat

My heart starts missing a beat

Every time

Oh oh oh, every time

Oh oh oh, every time

Every time

I hear your heart beat next to me

I'm in love with you; I mean what I say

I'm in love with you, and you don't know

What it means to be with you

Every time I see you, no matter what we do

There's a strange reaction, can you feel it too?

My heart starts missing a beat

My heart starts missing a beat

Every time

Oh oh oh, every time

Oh oh oh, every time

I hear your heart beat next to me

I'm in love with you; I mean what I say

I'm in love with you, and you don't know

What it means to be with you
