

Pet Shop Boys, Heartbeat

Beat, heartbeat
Every time i see you something happens to me
like a chain reaction between you and me
my heart start missing a beat
my heart starts missing a beat
every time oh every time oh every time
If didn't love you i would look
around for someone else
but every time i see you
have the same effect
my heart starts missing a beat
my heart starts missing a beat
every time oh every time oh every time
I hear your heartbeat next to me
i'm in love wiht you
i mean what i say i'm in love with you
and you don't know what it means
to be with you
Beat, beat, beat, heartbeat
Beat, beat, beat, heartbeat
Everytime i see you
no matter what we do
there's a strange reaction
can you feel it too
my heart starts missing a beat
my heart starts missing a beat
every time oh every time oh every time
I hear your heartbeat next to me
i'm in love with you
i mean what i say i'm in love with you
and you don't know what it means
to be with you
Oh every time, oh every time, oh every time
beat, every time, beat, everytime
beat, heartbeat, beat, heartbeatt
