

# Pet Shop Boys, If There Was Love

Take me out tonight  
Where there's music and there's people  
Who are young and alive  
Driving in your car  
I never never want to go home  
Because I havent got one  
Anymore  
Take me out tonight  
Because I want to see people  
And I want to see lights  
Driving in your car  
Oh please dont drop me home  
Because it's not my home, it's their home,  
And I'm welcome no more  
And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten ton truck  
Kills the both of us  
To die by your side  
The pleasure and the privilege is mine  
Take me out tonight  
Oh take me anywhere, I dont care  
And in the darken underpass  
I thought Oh God, my chance has come at last  
(But then a strange fear gripped me  
And I just couldn't ask)  
Take me out tonight  
Take me anywhere, I dont care  
Just driving in your car  
I never never want to go home  
because I havent got one  
I havent got one.
