Pet Shop Boys, Numb

(Diane Warren)

Don't wanna hear the news What's going on What's coming through I don't wanna know Don't wanna know Just wanna hide away Make my my escape I want the world To leave me alone Feels like I feel too much I've seen too much For a little while I want to forget

I wanna be numb
I don't wanna feel this pain no more
Wanna lose touch
I just wanna go and lock the door
I don't wanna think
I don't wanna feel nothing
I wanna be numb
I just wanna be
Wanna be numb

Can't find no space to breathe World's closing in Right on me now Well that's how it feels That's how it feels Too much light There's too much sound Wanna turn it off Wanna shut it out I need some relief Think that like I think too much I've seen too much There is just too much Thought in my head

I wanna be numb I don't wanna feel this pain no more Wanna lose touch I just wanna go and lock the door I don't wanna think I don't wanna feel nothing I wanna be numb I iust wanna be Wanna be Taken away from all the madness Need to escape Escape from the pain I'm out on the edge About to lose my mind For a little while For a little while I wanna be numb

I don't wanna think
I don't wanna feel nothing
I wanna be numb
I don't wanna feel this pain no more
Wanna lose touch

I just wanna go and lock the door I don't wanna think I don't wanna feel nothing I wanna be numb I just wanna be Wanna be numb I just wanna be Wanna be wanna be Wanna be numb
