Now you've gone, I'm all alone
My heart is broken and I don't wanna go home
You know it's all over, you're out of luck
You feel so low you wanna self-destruct
I needed you and you loved me too
but now I don't know what I'm gonna do
But life moves on, I'm talking history
and now I've got tofind someone who'll dance with me
