

# Pet Shop Boys, That's My Impression

I went looking for someone I couldn't find  
staring at faces by the Serpentine  
Walking slowly I realised  
you'd been and gone, I know you lied

That's my impression  
That's my impression  
That's my impression  
That's my impression

The wind was chilly and the sky was dull  
I went for shelter to the temple  
Once inside I couldn't believe my eyes  
You'd been and gone, I know you lied

That's my impression  
That's my impression  
That's my impression  
That's my impression

Go to a club, you think I'll be there  
I don't go 'cause I'm not a member  
You said you went to apologise  
It's plain to me that's one more lie

That's my impression  
That's my impression  
That's my impression  
That's my impression

I went looking for someone I couldn't find  
staring at faces by the Serpentine  
Walking slowly, I realised  
you'd been and gone, I know you lied

That's my impression  
That's my impression  
That's my impression  
That's my impression

It's an expression  
and a suggestion  
I learned my lesson  
That's my impression
