

Pet Shop Boys, Vampires

Brother, it don't matter
Sister, don't worry
Say what you like
I'll do what you want me to do
You're a vampire
I'm a vampire too

Sun in the kitchen
Boy, you're still sleeping
When you get hungry
I'll do what you want me to do
You're a vampire
I'm a vampire too

Night in the city
New Orleans pretty
Do what you want
and then can I do it to you?
You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

It's a reflex
Just a reflex
like fear or sex

Brother it don't matter
Sister don't worry
Say what you like
I'll do what you want me to do
You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

Brother, it don't matter
Sister, don't worry
Brother, it don't matter
Sister, don't worry
