

Peter Koppes, I Wonder

Only you knows the secret
Of desire and how to keep it
You've been blessed with the gift of natural law

I wander around in a secular valley
I want a glimpse, of hope and you'll have me
Weary for a jeer on your island shore

I wonder if I'm feeling better
Or if its your turn to cry
I wonder if I'm feeling better now

In the womb, never though I'd be there
Comfort of I feel that I'm needy
Then with trust came ecstasy and my tears

Chance had it lost in the sands
What'd you learn with lonely friends
A faded fire, a painful souvenir

I wonder if I'm feeling better
Or if its just a turnaround
I wonder if I'm feeling better now
