Peter Koppes, I Wonder

Only you knows the secret Of desire and how to keep it You've been blessed with the gift of natural law

I wander around in a secular valley I want a glimpse, of hope and you'll have me Weary for a jeer on your island shore

I wonder if I'm feeling better Or if its your turn to cry I wonder if I'm feeling better now

In the womb, never though I'd be there Comfort of I feel that I'm needy Then with trust came ecstasy and my tears

Chance had it lost in the sands What'd you learn with lonely friends A faded fire, a painful souvenir

I wonder if I'm feeling better Or if its just a turnaround I wonder if I'm feeling better now
