Hey Girl...  
Turn The Bass Down Some More...

Here We Go

I Just Got Your Text Message,  
That You Want Me To Join You, Oh,(Yeah)  
My Reluctance Would Be Less Threatning,  
If You Told Me What You Had On

See This Is What Happens Soon As I Get Home  
Damn Girl It Feels Good Being Right Here  
You Can Tell I'm Serious By My Tone  
I Can't See Your Eyes Move Your Hair  
Is It Possible For You To Still Moan  
This Is Changing My Life Do You Care  
Can You Believe That My Mind's Been Blown  
Or Should I Swear... That

I'm Your Guy  
I'm Your Man To Be  
I Can Make Anything Happen All Of A Sudden...  
But  
You're My Girl,  
You're My Fantasy...  
And When You Kiss Me There It Pushes Love's Button...

[Chorus:]  
(Ohh, Oh)(Cream)  
It Seems You Licked My Creamsickle Down  
(Ohh, Oh) (Cream)  
But I Couldn't Get No Better No More  
(Ohh, Oh) (Cream)  
I Jump On When You Make That Sound  
(Ohh, Oh) (Cream)  
In Two Minutes I'll Get You One More

You're So Perfect Girl (So Perfect Girl)  
Your Pink Cookies On Top Of Those Ice Cream Scoops (Yeah)  
I Want You Nekkid Gurl (Nekkid)

By Now Your Peach Should Be Dripping Of This Juice

[Chorus:]

(Ohh, Oh) (Cream)  
But I Couldn't Get No Better No More

(Ohh, Oh) (Cream)  
In Two Minutes I'll Get You One More
