

Phife Dawg, Nutshell

The undefeated, unblemished, underrated
Unfiltered, unafraid, unaffected
Undaunted, unabashed, the undeniable
Untouchable, unstoppable, unusual
Underdog, unsurpassed, unyielding
Unsupportive, fuck you and your feelings!
Unrelenting, unscathed, uncontrollable
Unpleasant one, problem with me
Hah, and that's just me in a nutshell
Uncensored, unchanging, unbreakable
Unconscious, uncouth, unbearable
Unmerciful, unexplainable, unemotional
Uninterested when dealing with unoriginals
Unaccustomed to unproven whack flows
Unresponsive to unapproved stages shows
That's unacceptable, unexciting, lazy fucker
Phife here, canny, uncommon rhyme spitter

Hah!
That's just me in a nutshell, nutshell, nutshell
Said: "That's just me in a nutshell"
Five footer in a motherfucking nutshell

Peep the rebirth of the reborn as I reveal
Reconnect with this rebel, redefining raw skill
I realign, readjusted, refocused
Reanalyzed what's real versus bullshit
Had to refuel, reactivate to reemerge
Reevaluate, recalculate, bitch I return
Redefine, re-energize, get reacquainted
Read them kids incorporated, roots related
Invulnerable, inviting, invincible
Inventive one, which leaves most in-viable
Get involved, invest in these youths kid
Invigorate, induce that old realness
Insecure, nah, more like inhumane
It's not a game, shut your mouth
Use your inner voice, stay in your lane
Inaugurate those with incentive to innovate
Insistent that those who inspire we will initiate

What?
And that's just me in a nutshell, nutshell, nutshell
Hah, Phife Dawg in a nutshell
Know you're trying us in a nutshell!
