

Phoenix, S.O.S. IN BEL AIR

Well I really got to go now
Phony as in "you're not just anyone"
Even though we're not supposed to
I would rather be too close if anything
Is it a false alarm, another one?

And you can't cross the line
But you can't stop trying
Alone, alone, alone
Crystal or Bamboo?
Voyager Canoe
Do you need another one?
Someone to talk to?

Put my name on your list
S.O.S. in Bel Air

When tired, you're no fun
When idols are boredom to everyone
When every piece of every costume is stolen
I recall the pretty things
Is it the last of me or lesson one?

And you can't cross the line
But you can't stop trying
Alone, alone, alone
Crystal or Bamboo?
Voyager Canoe
Do you need another one?
Someone to talk to?

Put my name on your list
S.O.S. in Bel Air
