

Phoenix, The Measure Of A Man

But how did he died
But how did he live
But what did he gain
But what did he give.

But how did he died
But how did he live
But what did he gain
But what did he give.

Refren:
This are the units to measure a worth
Of a man, regardless of birth.

Was he ever ready
With a soul of good cheer
To bring back a smile
To bannish a tear.

Was he ever ready
With a soul of good cheer
To bring back a smile
To bannish a tear

Refren:
This are the units to measure a worth
Of a man, regardless of birth.

But what was his station
But had he a heart
And how did he play
Gis God given birth.

But what was his station
But had he a heart
And how did he play
Gis God given birth.

Refren:
This are the units to measure a worth
Of a man, regardless of brth.
