

Pia Mia, Dum Dada (feat. Kid Ink)

Boy you got me hotter than the summer in L.A.
No one takes me farther, do me every single way
Way you give it to me, make me want it every day
When you beat, beat, beat it, feel like dum dada da day
Dum dada da day, dum dada da day
When you beat, beat, beat it, all I ever wanna say (I hear you)
Dum dada da day, dum dada da day
When you beat, beat beat it, feel like dum dada da day

Like it when you watch me, it's just like I'm performing
Throw away the key, I got you locked 'til the morning
Treat me like a treasure, baby, I could be your diamond
Tell me it's just us, like we're on a desert island
Boy, I'm out here winding, like I'm miling down the sand
This predator is hungry, baby, I just want a taste
My body is a temple, you can come and just obey
When you put your hands together, dum dada da day

Put this on replay
Love you good all day (ok!)
Make this shit understood (simple)
Dum dada da day, hey, dum dada da day (I heard you)
When you beat, beat, beat it, all I ever wanna say
Dum dada da day, dum dada da day
When you beat, beat, beat it, feel like dum dada da day

I don't want no other
Be my chosen lover
I don't want no one else but you
(Kid Ink)
Dum dada da day

That's all you ever say
Bad girl, no, you ain't safe
See you standing there at the plate
Go ahead, you can swing my way
Dada day, 'til the night, 'til the morning singing
Touch down and I'm wide receiving
Everything she throwing back
And we ain't even went past the stats
Oh, na, na and dada day
Looking like your momma inside there
The way you ride when you're in my lane
P-I-A going M.I.A
P-Y-T no PSA, but you so fly, need TSA
Talking dirty to Mia, you don't even know what you saying
You, you don't even know what you saying (what?)
You, you don't even know what you saying

Dum dada da day, dum dada da day
When you beat, beat, beat it, all I ever wanna say
Dum dada da day, dum dada da day
When you beat, beat, beat it, feel like, dum dada da day
