Pink, A Million Dreams

I close my eyes and I can see A world that's waiting up for me

That I call my own

Through the dark, through the door

Through where no one's been before

But it feels like home

They can say, they can say it all sounds crazy

They can say, they can say I've lost my mind

I don't care, I don't care, if they call me crazy

We can live in a world that we design

'Cause every night, I lie in bed

The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

Oh, a million dreams for the world we're gonna make

There's a house we can build

Every room inside is filled with things from far away

Special things I compile

Each one there to make you smile on a rainy day

They can say, they can say it all sounds crazy

They can say, they can say we've lost our minds

See, I don't care, I don't care if they call us crazy

Run away to a world that we design

'Cause every night, I lie in bed

The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

Oh, a million dreams for the world we're gonna make

However big, however small

Let me be part of it all

Share your dreams with me

We may be right, we may be wrong

But I wanna bring you along to the world I see

To the world we close our eyes to see

We close our eyes to see

Every night, I lie in bed

The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

For the world we're gonna make
