

Pink, Can't Help It

Yeah Yeah Yeah, Yeahhh la la la la la
I love you so much I want to light you on fire, show you how hot you are.
I want you so bad, I want to punch you in your face, hit you till you see stars
Im a passionate one and youre my masterpiece, but baby you must be warned
Im a passionate one and I will break you to pieces, trust me Ive done it before
I cant help it (I cant help it)
Ill put you on your knees
And Ill walk over you
Just to show you how I feel
Im in love with you
I love you so much I wanna slash your tyres to stop you from driving drunk
Come over here I want you to taste my poison, to stop you from eating drunk
I know youre the one cause youre not afraid. Youre not afraid of me.
Lets give it some time, see if you get scared cause maybe you should be!
A little pain and pleasure never hurt no-one
I promise to try to be better cause youre the only one
I cant help it (no, no, no)
Ill put you on your knees
I cant help it (yeah yeah yeah)
And Ill walk over you
Just to show you how I feel
Im in love with you
I cant help it (Cant help it)
Ill take you like a whore
And when I am done with you
Ill feel no remorse
Im in love with you
A little pain & pleasure never hurt no-one
Yeah Yeah Yeah, I cant help it. No No No!
I cant help it (no, no, no)
Ill put you on your knees (Ill put you on your knees!)
I cant help it (yeah yeah yeah)
And Ill walk over you
Just to show you how I feel
Im in love with you
