

Pink, Eventually

I am an opportunity and I knock so softly
Sometimes I get loud when I wish everybody'd just
get off me
So many plays you'd think I was a ball game
It's every man for themselves, there are no
team mates
This life gets lonely when everybody wants
something
This might have been your fate
But they'll get theirs eventually
And I hope I'm there

Surrounded by familiar faces without names
None of them know me or want to share my pain
And they only wish to bask in my light, then fade
away
To win my love, to them a game
To watch me live my life in pain
When all is done and the glitter fades, fades
away
They'll get theirs eventually
And I hope I'm there

I drank your poison cuz you told me it's wine
Shame on you if you fool once
Shame on me if you fool me twice
I didn't know the price
You'll get yours eventually

So what good am I to you if I can't be broken?
You'll get yours, yes you'll get yours
Eventually
