

Pink, Hell Wit Ya

verse 1

what is this
i heard you got a new miss
we just broke up so
you know that i'm pissed
they say you're faithfull
i dont believe that shit, oh no oh no

(b-section)

oh i tried to act like i don't care
but it doesn't seem fair
you're so good to her
and i tried to pretend i don't see
all the things that you do
you couldn't do for me

~chorus~

i was in love wit ya
but the hell wit ya
cause you didn't wanna
treat me right
i was in love wit ya
but the hell wit ya
cause you didn't wanna
treat me right
now you got another girl in yo life
giving her love all day all night
i was in love wit ya
but the hell wit ya
cause you didn't wanna
treat me right

-verse2-

so i hear
i met the wench before
(yeah i remember that time
we went to pizza hut
and you told me she
was your cousin)
i hear you learned to open doors
(when did you become such a damn gentlemen)

(b-section)

Oh i tried to act like i don't care
but it doesn't seem fair
your so good to her
and i tried to pretend that i didn't see
all the things that you do
you couldn't do for me

~chorus~

i was in love wit ya
but the hell wit ya
cause you didn't wanna
treat me right
now you got another girl in yo life
giving her live all day all night
i was in love wit ya
but the hell wit ya
cause ya dont wanna
treat me right

-bridge-

what does she do to you

to make you give her everything
like you never did for me
call it jealousy
but it's killing me
cause all that time
when you were mine
you didn't treat me right
