

Pink, Hustle

i gave you soft
i gave you sweet
just like a lion
you came for sheep
oh no
don't try to hustle me

you took my love
mistook it for weakness
I guarantee
I won't repeat this
no!
don't try to hustle me
(don't try to hustle me)

I live my life
like a bullet in a gun
give you all my love
'till my patience is done
oh no
don't try to hustle me

so don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x
and don't try to hustle me
so don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x
and don't try to hustle me

a boy like you
you think you know it all
build it up and
you're bound to fall
oh no
don't try to hustle me

I spend my days trying
to do you right
but you've been blind
you can't see the light
oh no
don't try to hustle me

I live my life
like a bullet in a gun
give you all my love
'till my patience is done
oh no
don't try to hustle me

so don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x

and don't try to hustle me
so don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x
and don't try to hustle me

cause It won't do no good at all
to say you're sorry now
your words they are
fallin' on deaf ears
and it won't do no good al all
to try to work it out
how can you replace
all these years
so now you've gone
and thrown away the very thing you need
bitch please
and don't try to hustle me

don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x
and don't try to hustle me
so don't try to hustle me
whoop /2x
don't try to hustle me
whoop /2x
don't fuck with me
whoop /2x
and don't try to hustle me
