

Pink, Let Me Go

I always seem to look so sad
But that's not me, I'm just bad
Why do you keep on following me
Is this what I'm going to be?
Just tell me what you got
I don't know if I like you or not
If you wanna know that'll always keep on trying
Not to let you crying,
Baby, can't you see what I want to be?

chorus:

Just let me know
When do you let me go
I want to be free
Can't you see
Just let me go
I've got things to show
But not this time
Let me go

I don't want you here to stay
I just want you here away
It's not my fault
It's something I can't solve
Let me be free
There's something I wanna be
I can't be seen with you
It's the things you do
Let me go, let me flow
Through your mind
Through your soul
I got to have you low

chorus

When I always keep on trying...
You are my friend that's crying
Don't you wanna know
What's got in to me
I really want to be free
Can't, ohh, can't you see...
Boy, you'll have to let me go...
