Pink, Looks Like A Job 4...

Talking down, so give short..... Leave It good, So give more..... tell me how I did..... Turn me around and around and please go upside.......

I gotta know, give me a reason I gotta know, give me a reason I gotta know, give me a reason You messed my chance.......

Looks like a job 4..... Looks like a job 4..... Even If It breaks me.....

Please tell me, 'cause I know how. Leave It around, I know how..... Tell me how I did..... Turn me around...... and please go upside.....

I gotta know, give me a reason I gotta know, give me a reason I gotta know, give me a reason You loved my last chance

Looks like a job 4.....looks like a job 4.....let's blow It away.....
I know I can be right alright.....

Stop pretending my chance Stop assuming my lasting Stop Playing my chance Stop walking I'll here you

Looks Like a job 4........... Looks like a job 4.......... let's blow it away..... I know I can be right alright.... and I can Be winning along....... I know I can know, I can here you
