

Pink, Numb

No sleep, no sex for you from your ex-girlfriend
I was too deep, I can't let you go and just jump
in

At times I would push my feelings aside to let
you feel

I'm novicane I'm numb and nothing's real

Like the coldest winter, I am frozen from you

I was weak before now you made me so numb

I can't feel much for you anymore

I gave you my all, my baby

I'm numb, numb, numb

But the tears were silent inside you see

But the tears were silent inside you see

I laid there quiet, watched you have your way
with me

I might have cried, the tears were silent inside

you see

You called me names, made me feel like I was dumb

I didn't feel a thing and now I'm gone, gone,

gone

Like a battered child I got used to your pain

But you know its cuz

I was weak before now you made me so numb

I can't feel much for you anymore

I gave you my all, my baby

I'm numb, numb, numb

I was weak before now you made me so numb

I can't feel much for you anymore

I gave you my all, my baby

I'm numb, numb, numb

Don't feel a thing, don't feel the pain

Numb, numb, numb

Said

I was weak before now you made me so numb

I can't feel much for you anymore

I gave you my all, my baby

I'm numb, numb, numb

I was weak for

Said now I'm numb, numb, numb

No, no, no, no
