

# Pink, Private Show

Silly you, silly me  
To letcha in and put a move on me  
Yeah yeah yeah  
Never once asked for love  
Always took it for what it's worth, memories

[Bridge:]  
See I dont wanna meet on a lonely street  
Where the talk is cheap and the price is sweet  
I'm not that girl, Im not that girl  
And you dont wanna see the other side of me  
So I'm gonna hit ya off and I'm gonna set ya free  
Before you fall too deep, don't fall too deep

[Chorus:]  
He don't know  
I'm gonna be the one who's gonna let him go  
Even if he wants to stay, I'll let him go  
Cuz all he wants from me is a private show  
Ohhh...

He's all talk, think's he knows, how this game's supposed to go  
For everyone  
Still it seems, he can't see  
Thinks he's just usin' me, usin' me

[Repeat Bridge]

[Repeat Chorus]

He don't know  
Maybe if he wasn't such a gigalo, (a nasty hoe)  
I would let him stay, instead I let him go  
Cuz all he wants from me is a private show  
Ohhh...

He dont know  
I'm gonna be the one who's gonna let him go, I let him go  
Private show, oh no no no no  
He don't know, I let him go, nasty hoe  
Ohhh, pri-vate show, he don't know, he don't know  
Let him go...even if he wants to stay I'll let him go  
Cuz all he wants from me is a private show...oh oh oh  
He don't know...oh oh oh...he don't know
