## Pink, True Love (ft. Lily Allen)

Sometimes I hate every single stupid word you say Sometimes I wanna slap you in your whole face There?s no one quite like you You push all my buttons down I know life would suck without you

At the same time, I wanna hug you I wanna wrap my hands around your neck You?re an asshole but I love you And you make me so mad I ask myself Why I?m still here or where could I go You?re the only love i?ve ever known But I hate you I really hate you, so much I think it must be

True love true love It must be true love Nothing else can break my heart like true love True love, it must be true love No one else can break my heart like you

Just once tried to wrap your little grain around my feelings Just once please try no to be so mean Repeat after me now r-o-m-a-n-tic Come on I?ll say it slowly You can do it babe

At the same time, I wanna hug you I wanna wrap my hands around your neck You?re an asshole but I love you And you make me so mad I ask myself Why i?m still here, or where could I go You?re the only love i?ve ever known But I hate you I really hate you, so much I think it must be

True love true love It must be true love Nothing else can break my heart like true love True love, it must be true love No one else can break my heart like you

Why do you walk me off the wrong way Why do you say the things that you say Sometimes I wonder how we ever came to be But without you i?m incomplete

I think it must true love true love It must be true love Nothing else can break my heart like true love True love, it must be true love No one else can break my heart like you, like you No one else can break my heart like you
