

# Pink, Waiting For Love

[Verse 1]

She looks to the sun  
Help her to carry on  
Braking down all the years  
Wondering how she got here  
She drifts through the sky  
Counting the reasons why  
How my life turned so fast  
Remembering all of the past

[B-Section]

All the changes, and all the mistakes  
Foolishly laughing at things that  
Words that she says

[Verse 2]

She looks to the stars  
Breaking, time to follow the heart  
Her world is falling apart

[B-Section]

And the turning of every new page  
A book on a shelf that is there to remain  
Breaking the walls as she's tearing them down  
A she is starting to drown

[Chorus]

She's waiting for love  
She's waiting, waiting for love  
Waiting, waiting for love  
She's waiting, waiting so long

[Verse 3]

She prays to the Gods  
Telling how she needs someone  
Help me find where I am today  
Life is looking very grey

[B-Section]

All the changes, all the mistakes  
Foolishly laughing at things that  
Everything that she says

[Chorus]

[Bridge]

I'm waiting for a new day to rise  
CONversations to make sense to me and my mind  
I need someone to lift me right off of my feet  
And I want it, and I need it, and I'll leave it all behind

And all the changes I've made  
And I remember the words, that you'll never say

[Chorus (3x)]

She looks to the sun
