

# Pink, Who Knew

You took my hand, you showed me how  
You promised me you'd be around  
Uh-huh, that's right  
I took your words and I believed in everything you said to me  
Yeah-huh, that's right

If someone said three years from now you'd be long gone  
I'd stand up and punch them out, because they're all wrong  
I know better, 'cause you said forever and ever  
Who knew

Remember when we were such fools  
And so convinced and just too cool  
Oh no, no, no  
I wish I could touch you again  
I wish I could still call you friend  
I'd give anything

When someone said count your blessings now  
Before they're long gone  
I guess I just didn't know how  
I was all wrong  
They knew better, still you said forever and ever  
Who knew

I'll keep you locked in my head until we meet again  
Until we, until we meet again  
And I won't forget you my friend  
What happened

If someone said three years from now you'd be long gone  
I'd stand up and punch them out  
Because they're all wrong and  
That last kiss I'll cherish until we meet again  
And time makes it harder  
I wish I could remember  
But I keep your memory  
You visit me in my sleep  
My darling, who knew  
My darling, my darling, who knew  
My darling I miss you  
My darling  
Who knew  
Who knew
