

Pipedown, Coma

Wake up all you humans
No longer can ignore
The selfishness, unawareness
That makes us beg for more
Where are all your values?
Swallowed by your greed
Let it go and take control
Sever the machine

STAND UP, STARE IT DOWN, TEAR IT DOWN, RISE AGAIN
STAND UP, STARE IT DOWN, TEAR IT DOWN, RISE AGAIN

Start thinking for yourself
And breathe again
Don't ever let them
Don't ever let them fuck you!

Take it back!
