Everybody on the dancefloor  
What the hell you waiting for  
Get-get-get down  
Everybody in the club  
Go ahead, put your drinks up  
Get-get-get down  
Mr. Worldwide, everybody in the honky tonk  
Them girls with a donkadonk  
Play-N-Skillz  
Get-get-get down  
Everybody get loose tonight  
Tim McGraw, everybody gets lit tonight  
Get-get-get down

I like it  
I love it  
I want some more of it

She's getting all dressed up  
She's getting all sexy  
Get-get-get down  
When the driver pulls up, baby  
Just jump in the back seat  
Get-get-get down  
I see you in them sexy heels  
I see you dressed to kill  
Get-get-get down  
She's a certified twenty  
And when it comes to me, she got plenty

Now I party like a rock star  
Look like a movie star  
Play like an All-Star  
Baby, meet me at the bar  
Now I party like a rock star  
Look like a movie star  
Play like an All-Star  
Baby, meet me at the bar

And I like it  
I love it

And them legs that turn heads  
Get-get-get down  
She knows how to keep it real  
She knows how to play the field

You better get yours  
Cause' you know she gon' get hers

So bad, so fine  
And believe me, she'll blow ya mind
