## Pitchshifter, Diable

Sit back, relax, forget it. Can't hate me like I do, I know me better. Sit back, relax, don't think don't sweat it, forget it. (just) Can't hate me like I do, I hate I know me better. No thoughts, no time, no questions. Can't waste it like I do, I know me better. No thoughts no time, no questions, no choice no answers. (just) Can't waste it like I do, I waste I had more chances.
