Pixies, BAGBOY

I had a bad reaction to your public hobby writings I get no satisfaction from your very recent sightings

cover your breath polish your speech

cover your breath cover your teeth polish your speech

like when I hear the sound of feet slapping on the runway cover your breath polish your speech like a small bird pretty while it's crapping on the new day cover your breath polish your speech cover your breath polish your teeth

so disappointed I was that I had made small talk with you polish your teeth alter your breath I'm not feeling your buzz I only smell your crock of stew polish your teeth alter your breath alter your teeth cover your breath Bag boy bag boy bag boy bag boy

she had some beauty and manners but you look like a bug cover your breath alter your speech migrations of their type are such good planners and not smug cover your breath alter your speech Bag boy bag boy bag boy bag boy

you are proselytizing alone listening to the voice with your ears you have regurgitated the tone now sat in your tract for many years picked up from dead things that you licked it's a feedback loop you can't evict cover your breath cover your teeth cover your breath polish your speech cover your breath polish your speech cover your breath polish your teeth polish your teeth alter your breath alter your teeth cover your breath cover your breath alter your speech cover your breath alter your speech
