-----  
On a cloudy  
March afternoon  
we are driving  
to buy records

you are my driver  
wearing sunglasses  
your black leather gloves  
suit you well

I'm always lying drunk  
in the back seat  
the wind blows hard  
feeling groovy  
When we hear groovy music,

my baby driver  
my baby driver  
let's speed up

it's now 3 p.m.  
we'll have tea at that cafe  
you're wild  
stop the car at the alley  
stop!
