

Planetshakers, Hero

Know me like I do
I know I'm nothing without You
I need Your spirit in my heart
Show me ways I'll never depart

Now all I need to say is how much I need You

You're all I long to see
My friend who gave His life for me
You're All I Long to be
Jesus, the Hero inside of me is You

Jesus, You're my Hero
Jesus, You're my Hero
Jesus, Jesus, Jesus the hero in me
