Planetshakers, Hero

Know me like I do I know I'm nothing without You I need Your spirit in my heart Show me ways I'll never depart

Now all I need to say is how much I need You

You're all I long to see My friend who gave His life for me Youre All I Long to be Jesus, the Hero inside of me is You

Jesus, You're my Hero Jesus, You're my Hero Jesus, Jesus, Jesus the hero in me
