

# Pogues, 5 Green Queens And Jean

I recall the moment  
Before it slipped away  
When 5 green queens  
On a black bin bag  
Meant all the world to me

And I recall the moment  
More distant than it seems  
When 5 green queens  
On a black bin bag  
Meant all the world to me

And I recall the moment  
Much closer than it seems  
When 5 green queens  
On a black bin bag  
Meant all the world to me

And I recall the moment  
Before it slipped away  
When 5 green queens  
On a black bin bag  
Meant all the world to me
