Pogues, Love You 'Till The End

I just want to see you when your all alone I just want to catch you if I can I just want to be there When the morning light explodes On your face it radiates I cant escape I love you till the end

I just want to tell you nothing You dont want to hear All I want is for you to say Why dont you just take me Where I've never been before I know you want to hear me Catch my breath I love you till the end

I just want to be there
When were caught in the rain
I just want to see you laugh not cry
I just want to feel you
When the night puts on its cloak
I'm lost for words dont tell me
All I can say
I love you till the end
