Pogues, The Sick Bed Of Cuchulainn

McCormack and Richard Tauber are singing by the bed There's a glass of punch below your feet and an angel at your head There's devils on each side of you with bottles in their hands You need one more drop of poison and you'll dream of foreign lands

When you pissed yourself in Frankfurt and got syph down in Cologne And you heard the rattling death trains as you lay there all alone Frank Ryan brought you whiskey in a brothel in Madrid And you decked some fucking blackshirt who was cursing all the Yids At the sick bed of Cuchulainn we'll kneel and say a prayer And the ghosts are rattling at the door and the devil's in the chair

And in the Euston Tavern you screamed it was your shout But they wouldn't give you service so you kicked the windows out They took you out into the street and kicked you in the brains So you walked back in through a bolted door and did it all again At the sick bed of Cuchulainn we'll kneel and say a prayer And the ghosts are rattling at the door and the devil's in the chair

You remember that foul evening when you heard the banshees howl There was lazy drunken bastards singing Billy in the bowl They took you up to midnight mass and left you in the lurch So you dropped a button in the plate and spewed up in the church

Now you'll sing a song of liberty for blacks and paks and jocks
And they'll take you from this dump you're in and stick you in a box
Then they'll take you to Cloughprior and shove you in the ground
But you'll stick your head back out and shout "we'll have another round"
At the graveside of Cuchulainn we'll kneel around and pray
And God is in His heaven, and Billy's down by the bay
